

**INTERMEZZO RISTORANTE**  
**N°1 Martin Place**

At Intermezzo Ristorante we are passionate about our wine, so much so, that we built a 7.5 metre glass wine tower. The wine tower is temperature and humidity controlled to ensure our wine is stored properly and to bring you an amazing variety of over 200 specially selected wines.

The extensive selection of Italian wines is presented to you by area and region for easy selection. While the wines selected from Australia, France and the rest of world are of exceptional quality and complement our Neapolitan cuisine.

“It’s the grapes which tell us what to do rather than us forcing them into preconceived style”

Sommelier:  
Mathieu Mouraire

## Italian Wine Regions

---

*Italy's 20 wine regions showcase a diverse range of grape varieties and wine styles. With the combination of our 350 indigenous grape varieties, together with climatic differences from the alpine mountains in the north to the sun baked island of Sicily in the South, Italian wines deliver a unique vineous experience*
